## ABOUT ME

I am currently working as a gig worker at bolt works primarily as a kitchen assistant and also as a building cleaner. Over the course of my career at bolt I have worked with a lot of big names of the industries within the range of my expertise. While working in different positions I have managed to grasp and master all the task specific skills as well as basic and common knowledge that gives an edge and a lot of confidence to tackle any given work. By working in different industry and environment I have cultivated a personality which has a strong desire to constantly improve and expand upon my technical skills.

## EXPERIENCE

Compass Group Finland Oy | Kitchen assistant

📅 2022 - present

📍 Uusimaa region

- Kitchen Hand
- Dish-washing
- Salad Making
- Cleaning

- I had the opportunity to work at biggest restaurants chain in the world, Compass Group Finland Oy. I worked with very big team in there and we served 500 - 1000 customers every day on average. My main duty in there was to prepare 5 - 8 types of salad by following a menu produced by Compass group. Then when lunch starts I had to manage the dishwasher and sort all the items. Through this contract I worked at Rambol, Bluefors, Aviapolis, Derby business park, Orion and many more busy locations. I have worked couple of months in each locations.

Kotikatu Oy | Cleaner

📅 2022 - present

📍 Kotikatu arppula, Vuosaari

- Rappusiivoos
- Tarkistus
- Pitkakaytava siivoos
- Sauna Cleaning

- Main duties involved maintaining overall cleanliness of multiple buildings, including stair cleaning, sauna cleaning, corridor cleaning, Oil mopping, Lawn mowing etc.
- I have learned to maintain buildings end to end by cleaning, communicating with customers and providing supplies. I have also learned to deal with customers complains professionally.
